### Scope

We have audited the financial statements of the Friends of the Australian National Botanic Gardens Public Fund, being the Income & Expenditure Statement and Balance Sheet for the period ended 30 June 2014 showing an operating surplus of \$9,898 and accumulated funds of \$76,796. The Committee is responsible for the preparation and presentation of the financial statements and the information they contain. We have conducted an independent audit of these financial statements in order to express an opinion on them to the members.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in accordance the accounting policies described in the notes to the accounts and relevant statutory requirements as outlined in the *Associations Incorporation Act 1991* (ACT) as to present a view of the entity which is consistent with our understanding of its financial position and the results of its operations and cash flows.
