NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2020

The financial statements cover Friends of the Australian National Botanic Gardens as an individual entity. Friends of the Australian National Botanic Gardens is a not-for-profit association incorporated in ACT under the Associations Incorporation Act 1991 ('the Act').

The principal activity of the association for the year ended 30 June 2020 is:

- the support and development of the Australian National Botanic Gardens and its programs.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of preparation

In the opinion of the Committee of Management, the association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

2 Summary of significant accounting policies

Income tax

The association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

FRIENDS OF THE AUSTRALIAN NATIONAL BOTANIC GARDENS

ABN: 57 096 639 836

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2020

Interest revenue

Interest is recognised using the effective interest method.

Rendering of services

Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be estimated reliably. If the outcome can be estimated reliably then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period.

If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

Revenue from training services is generally recognised once the training has been delivered.

Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Impairment of non-financial assets

At the end of each reporting period, the association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the assets is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

STATEMENT BY MEMBERS OF COMMITTEE

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 2 to the financial statements.

In the opinion of the committee the financial report:

1. Presents fairly the financial position of Friends of the Australian National Botanic Gardens as at 30 June 2020 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Friends of the Australian National Botanic Gardens will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

Max Bourke AM (President)

Helen Elliot (Treasurer)

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF ASSOCIATION, FRIENDS OF THE AUSTRALIAN NATIONAL BOTANIC GARDENS

Report on the audit of the financial report

Opinion

I have audited the accompanying financial report, being a special purpose financial report, of Friends of the Australian National Botanic Gardens (the association), which comprises the balance sheet as at 30 June 2020, the income statement, and notes to the financial statements, including a summary of significant accounting policies and the statement by members of the committee.

In my opinion, the accompanying financial report of the association for the year ended 30 June 2020 is prepared, in all material respects, in accordance with the Associations Incorporation Act 1991.

Basis of opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial report section of my report. I am independent of the association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matter - basis of accounting

I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report is prepared to assist the association in meeting its audit requirements. As a result, the financial report may not be suitable for another purpose. My report is intended solely for the association and should not be distributed to or used by parties other than the association. My opinion is not modified in respect of this matter.

Responsibility of management and those charged with governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Act 1991, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

FRIENDS OF THE AUSTRALIAN NATIONAL BOTANIC GARDENS

ABN: 57 096 639 836

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF ASSOCIATION, FRIENDS OF THE
AUSTRALIAN NATIONAL BOTANIC GARDENS**

Auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.
